OUTSIDE CONTRACTOR ASBESTOS ACKNOWLEDGEMENT AND AGREEMENT

SUBJECT: Possible Presence of Asbestos Containing Materials

CONTRACTOR: _____ DATE: _____

You may encounter Asbestos Containing Materials (ACM) as you work within our District Facilities; this is to make you aware of that possibility. Known ACMs are clearly labeled or described in facility survey documents and should be handled only by qualified personnel.

If you question any other materials in the course of your job, you should, in all cases, refer your questions to the School District Maintenance Department.

You are responsible for passing this information on to your employees, subcontractors, and other service personnel.

You must comply with all State and Federal laws regarding Asbestos Containing Materials.

The person signing below certifies that s/he is authorized to sign on behalf of the Contractor and will comply with the rule and intent of this document. After signature is obtained, please return to Facilities / Ashland Schools Maintenance.
