

SENIOR PROJECT PROPOSAL/AGREEMENT

******Must Be On File Before Project Begins******

The Project Proposal is the form students will use to identify what their project will be and to gain approval of their plan. The proposal summarizes this plan.

Proposal Guidelines:

1. Students should pick a topic that is relevant, meaningful, and interesting.
2. The project should be linked to personal growth and benefit to the community or a wider audience.
3. Students should be able to complete their project in a minimum of 20 hours.
4. Students should consider potential mentors as they think about choice of project.
5. Students should ask themselves the following questions as they consider possible projects:
 - ❖ 1) Why am I choosing this project? 2) Why is it important to me?
 - ❖ 3) In what will I be involving myself? 4) What type of results am I looking for?
 - ❖ 5) What will be the benefit to me and/or others?

Proposal Title:

The written Project Proposal will meet the following standards:

- ❖ Correct spelling and grammar usage
- ❖ Use single-spaced, size 12 formatting in a basic font
- ❖ Name in the top left corner of the page.
- ❖ Write your proposal in paragraph format.
- ❖ Limit to one page.
- ❖ **Attach this cover to your proposal.**
