

**Ashland School District 5 Safety Committee Meeting
Summary of Minutes September 30, 2019**

Present: Randy McWhorter (helman) Lisa March (walker) Greg Oliver (willow wind) Brad Cummings (ams/jm) Judy Rogers (ahs/linc/district office/inspire house) Tina Perry (foods) Shawn Grimmesey (chairman, maint) Robby Moles (facilities director, maint)

Absent: Connie Rainwater (bellview) Kathleen Haynes (secretary, maint) Ted Woodcock (trans) Karl Kemper (admin)

Opening

The meeting began at 1:45 p.m. in the maintenance shop warehouse.

The minutes for the previous meeting were reviewed. Changes will be made and presented for approval.

Introduction of new safety committee member

Robby Moles was introduced as the new Maintenance Director to the safety committee team.

Old business

WW needs a stair tread replaced on the stairs going to the science classroom. – Robby will replace the treads and make it work until they can be replaced.

WW needs a stair tread replaced on the stairs to the old well room.

Walker – the rubber playground is scheduled for replacement with funds from the bond that passed in November 2018.

Accident Reports

We know there have been a few custodians that have turned in incident or accident reports but we do not have them at this time. Shawn will contact Sue at the district office and request them for our next meeting.

Site Inspection Review

High School/Lincoln site inspection was reviewed.

New Business

There was a cabinet with glass mounted over a pipe in the cross-country team room in the basement of the high school. If the pipe blew and the glass in the cabinet become projectiles?

The next month are Safety Site Inspections

The week of Tuesday October 15.

Meeting adjourned

2:14 p.m.
