DIRECTIONS

- Review the graduation requirements identified below, the 10th grade requirements on the back of this sheet, your transcript, the Four-Year Plan document and your current year-long schedule course schedule.
- Use the “Course Guide at a Glance” to determine elective course offerings available for your grade level.
- Select elective classes needed for your sophomore year by completely filling out the elective and all of the alternate elective spaces on the back of this sheet.
 - Think ahead- what will you need for your junior and senior years?*
 - What classes will you need to be accepted at the college of your choice?*
- Complete your Four-Year plan by filling in the courses you have taken so far in high school and projecting the course you will want to take during your 11th and 12th grade years.
